Harold Freiberg.

Refering to the "Whitewash" and other books listed in the flyer received, priced from $5-25 to $10.50, are these books paper back, and are they off-set printed A like the first "Whitewash" I purchased and was so hard to read I never finished reading it.

Can they be viewed at any Baltimore book store? I hesitate to put out this kind of money and have another "Whitewash I" experience.
